

Get paid on time, every time with GoCardless and Xero

The simpler way to collect recurring payments by Direct Debit.

Improve your cashflow

Take control of your payments and make sure you get paid on time, every time.

Reduce admin

Automated payment collection means less time on admin and more time on your business.

Quick and simple online setup

Both you and your customers can sign up in minutes online - no paperwork required.

Integrated into Xero

Integration into Xero allows automatic payment and reconciliation against your invoices.

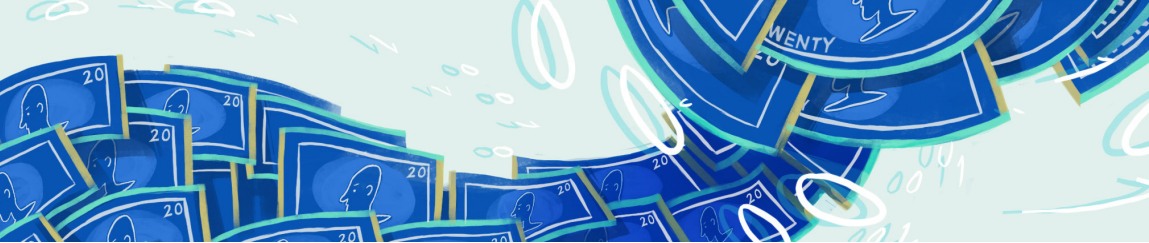

Low transparent pricing

Just 1% fees capped at £2 (min 20p) with no hidden costs.

Join 25,000 businesses using GoCardless every month

3 simple steps to make sure you get paid on time, every time:

- 1 Go to gocardless.com/xero to connect your GoCardless and Xero accounts to the app.
- 2 Set up your customers. You can automatically import your Xero customers and existing GoCardless mandates.
- 3 Start collecting payments each time you create an invoice with option to add a "pay now" button.

Sit back and watch your invoices get paid and reconciled hassle-free.

// We strongly advise our Xero clients to use GoCardless. It's quick to set up, improves cashflow and admin is reduced to almost nothing due to the automatic reconciliation. "

Peter Czapp, Co-Founder & Director, The Wow Company
